

Workshop for Providers - June 24, and July 17

The Provider Relations Unit will be hosting more provider workshops:

- July 17th - Providers can register at <http://vovici.com/wsb.dll/s/5ddfg3d8fb>
- August 14th - providers can register at <http://vovici.com/wsb.dll/s/5ddfg3e23c>

They will receive a confirmation e-mail and map to CSP after they register.

E-mail ProviderRelations@dshs.wa.gov with questions about the workshops.

This Training is designed to Prepare Providers to:

- Confirm that a patient is eligible for Medical Assistance.
- Find out if a service is covered under a Medical Assistance program.
- Determine who to bill.
- Recognize when prior authorization is required.
- Increase your success submitting claims and billing Medicare Crossover Claims.
- Find out what you have been paid for.
- Determine when and how to re-bill a denied claim or submit an adjustment.
- Quickly navigate DSHS's websites to locate policy references, exclusions, and limitations in program specific billing instructions.
- Anticipate some of the changes coming with the new DSHS Billing System - ProviderOne.

This workshop is designed for all provider types and covers billing in the current system, not ProviderOne.

This training is designed for new billing staff, billing DSHS fee-for-service and staff who:

- Schedule patient appointments or check in patients on the day they receive services or
- Post and reconcile DSHS payments.
